

UNIT 3 OUTCOME 2 (SAC 2) PRACTICE

TASK: Review at least two signed texts to provide commentary or relay complex messages.

Specific Task: You are a Year 12 student. After watching the discussion and the careers lecture you go out with your best friend to a local coffee shop where you counsel your friend on the issues that need to be considered when choosing a career.

Resource 1: A discussion in spontaneous sign between a careers teacher and a parent

Resource 2: A careers teacher giving a lecture on how to choose a career

Audience: Your best friend

Length: 4 – 5 minutes

A description of the highest level of performance:

- Comprehensive understanding and highly effective use of the features of informal discourse, including appropriate cultural conventions
- Excellent ability to extract, classify, summarise and/or contrast general and specific items of information from familiar and unfamiliar contexts
- Excellent ability to infer meaning from linguistic and contextual features
- Comprehensive knowledge of a broad range of signs, grammar and vocabulary, demonstrated through accurate and appropriate use
- A broad range of language features and communication strategies are used appropriately for the audience, context, purpose and signed text type
- Ideas and information in the response are very effectively structured and sequenced to convey meaning
