

GRADE 3 & 4

Weather

Hello!
How are you?

Exercise & Activity – Weather Resources – Weather Chart

- Put up Laminated A3 Weather chart (showing pictures of Sun, Rain, Cloud, Wind, Snow, Tornado, Hail, Cold, Hot, Warm, Lightning and Thunder)
 - Ask students to think what the sign is for each weather picture. Compliment on their creative visual imagination and give the correct signs for each
 - Go through each picture, students to copy signs.
 - Go through again, pointing to random pictures with students contributing what the signs are
-

Activity – GAME – Find the correct Weather sign picture card Resources – Weather Chart, and laminated weather sign cards

- Divide the students into three teams
 - Place the cards on a table away from the students
 - One from each team up in front. Point to a weather picture on the chart. When any of the two students sign it correctly, they can rush off to the table and find the correct sign picture card. The one who finds the correct card is awarded a point to his/her team
-

Activity – Weather

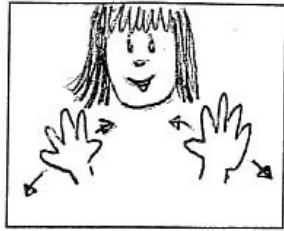

Resources – Sheet – “Auslan – Weather”

- Show sheet and demonstrate the signs and writing the words by referring to alphabet clues, and drawing the pictures
 - Students to line up and collect their paper.
-
