Auslan Deer Story Questions

1. In lower case letters, write down your answers in English (optional)
2. In upper case letters, organise your answer into Auslan grammar using TOPIC-COMMENT

When answering the questions in Auslan, please use the key signs you see in the Auslan story, and use constructed actions, role shifting and facial expressions.

Remember, if you plan to describe something using depicting (describing) signs, you need to say what it is first, for example, sign DEER first, and then describe what the deer's jumping looks like - how high, slow, fast, to a beat, etc – feel free to use your imagination!

Make it fun and dramatic if you can!

1. Why was the deer scared?

2. How did the deer hide from the hunter?

3. How did the deer know the hunter was gone?

4. What was the hunter doing when he was looking for the deer?

5. Show how the deer licked the water

6. How did the deer know the hunter was coming?

7. What was the deer thinking when the hunter was gone?
